Supporting a Worthy Cause

This is TDHA's first "catch and tie" only hunting event and we are excited to give hunters another opportunity to support a worthy cause. Proceeds from the sale of marketable caught hogs, to "approved buyers", will go to various charitable organizations and help contribute to the TDHA Legislative Action Fund. This fund will be used to help pay for lobbyist working on the behalf of **ALL** dog hunters in Texas. Without the support of our members and hunters participating in events such as this, TDHA would not have the resources to help the needy of our state **AND** keep the liberties we have as dog hunters in the State of Texas. We look forward to another successful hunting event this year and want to thank you ahead of time for your participation and support of this worthy cause!
